

AUGUST 5-9 CPM/CCSS MATH TRAINING

6th - 8th & Algebra CCSS lessons with CPM Teachers Ed.

Explore and develop CPM lessons that have the practice standards embedded in the student material. Build a support network with other local math educators. Register now and we'll see you in August. Start your year with confidence!

Workshop location: Zane Middle School, Eureka, CA
CPM teacher's edition (on line, paper or CD) required.
