FALL 2014 TECH SERIES

*It's time to create 21st century classroom experiences for **all** students.*

Tech Tools for Literacy-Based Projects is a series of workshops facilitated by RWP Teacher Consultants and designed to support educators in their use of technology in the classroom--specifically with reading and writing assignments that integrate Common Core State Standards. These workshops are applicable to all grades and computer skill levels.

General Information

Dates
Tuesdays 4:30-7:30 pm

Registration
$75 per session
$130 for 2 sessions
$200 for all sessions

HSU Extended Education Credit
